## Long Term Care Facilities, 2020/21 Flu Season

Term	Definition For Reporting
<b>Long Term Care Facility</b>	<p>Residential facilities, including private facilities, that have 50% or more residents aged 65 years and older, provide some health care services, and are either:</p> <ul style="list-style-type: none"> <li>a) licensed under the Hospital Act; or</li> <li>b) licensed under the Community Care and Assisted Living Act</li> </ul> <p><b>Note:</b> This definition excludes mental health facilities with less than 50% residents aged 65 years and older and assisted living facilities that do not provide health care services.</p> <p><b>Note:</b> Health Service Delivery Areas (HSDAs) in which more than 75% of residents of residential care facilities are living in facilities with 20 or more residents may limit the data they collect from facilities licensed under the Community Care and Assisted Living Act to facilities that provide some health care services <b>and</b> house 20 or more residents. This decision will be made at the HSDA level.</p>
<b>Funding Source</b>	<p><i>Owned and operated facilities: Owned and operated by the Health Authority; services are subsidized by the Ministry of Health.</i></p> <p><i>Contracted facilities: Operated by a contracted provider (not the Health Authority); services are subsidized by the Ministry of Health.</i></p> <p><i>Private facilities: Owned and operated by a private company; services are not subsidized by the Ministry of Health.</i></p>
<b>Health Care Worker (HCW)</b>	<p>Includes all persons who work or train on a full time, part time or casual basis in a residential care facility or acute care facility as defined above who have direct or indirect contact with patients or residents, regardless of whether they are health care providers. This includes administrative or non-patient care staff (e.g. medical records, housekeeping and dietary). This excludes residents, students, and volunteers.</p> <p>If the Health Authority has found a way to attribute HCWs who work in more than one facility only to the facility in which they spend the most time, they may count each HCW only in that one facility. Otherwise, HCWs who work in more than one facility should be counted in every facility they work in.</p>
<b>Number of Residents Immunized Against Influenza</b>	<p>The number of individuals living in the residential care facility who have been immunized against influenza.</p> <p><i>e.g. 84 of the residents living in the facility on December 15 had been immunized.</i></p>
<b>Total Number of Residents</b>	<p>The number of individuals living in the residential care facility.</p> <p><i>e.g. On December 15, there were 86 people living in the facility.</i></p>
<b>Contracted Staff</b>	<p>Staff who work for companies that have been contracted to carry out services within the facility (purchased services, such as cleaning services).</p>
<b>Are contracted staff included in these statistics?</b>	<p>No No data were collected for contracted staff working at the facility.</p> <p>Yes Data were collected for some or all contracted staff working at the facility.</p> <p>Or No contracted staff were employed at the facility.</p>
