

## LPN and School Aged Immunizations Resources

### Immunization Practice Standard

#### Vaccines other than Influenza or Pneumococcal:

The [BCCDC Immunization Competency Course for Licensed Practical Nurses](#) consists of two components:

1. The online [Immunization Competency Course for Licensed Practical Nurses](#)
2. The [Immunization Skills Checklist](#) (requires additional support from employer)

The first is the online course and exam. Licensed practical nurses are required to achieve 100% on the exam in order to print a Record of Completion.

NOTE: An educator or Clinical Resource Nurse is required to complete the on-site portion of the competency.

#### Additional education required for Nurse Independent Activity (NIA)

1. [Understanding Autonomous Practice and NIA-NIP Course](#)
2. [Provincial Education Anaphylaxis: Initial Emergency Treatment by Nurses \(Adult and Pediatric\)](#) on LearningHub per [VCH-PHC Anaphylaxis: Initial Emergency Management DST](#)
